

FLO Retina 2024
IC:OOR 2024
12^o International Congress
on OCT and OCT angiography

Florence
Fortezza da Basso,
December 5, 6, 7 and 8, 2024

At our 2024 congress we will again organize an "Image Gallery" where specialists will submit their best or interesting OCT images. It will roll through on a monitor in the exhibit area throughout the meeting and will be **available on the [Floretina.com](https://www.floretina.com) website for the two months following the congress.** All interested colleagues (participant at the congress or not) are welcome to submit their best/most interesting OCT or OCT Angiography images. Please submit each case as a single .ppt slide and include a brief description (including pathology, unusual scan parameters, etc.) as well as your name & affiliation as you'd like it to appear on the slide.

Any images received that do not use the attached template ([click to download](#)) will not be accepted. This includes font size and type.

Slides should be emailed directly to Dr. Carroll at jcarroll@mcw.edu

Submissions must be received by November 10th, 2024 for consideration.

Dr. Joseph Carroll and Dr. Marco Rispoli will select a winner from the submitted cases to receive a prize at the close of the meeting.

Winner of 2023 edition - Néda Abrahams, David Sarraf - Stein Eye Institute, UCLA, USA
